

Fox ML Infrastructure – Trademark Policy

This policy defines how the “Fox ML Infrastructure” trademark and brand may be used by licensees, clients, and third parties.

1. Trademark Ownership

Fox ML Infrastructure LLC owns the following trademarks and brand elements:

- “**Fox ML Infrastructure**” – Trademark name
- “**FoxML Core**” – Product name
- “**Fox ML Infrastructure LLC**” – Company name
- **Associated logos and branding** (if applicable)

These trademarks are protected under applicable trademark laws.

2. Permitted Uses

2.1 Attribution & Reference

You may: - Reference “Fox ML Infrastructure” in documentation, presentations, or reports - Attribute the platform in technical documentation or research papers - Mention “Fox ML Infrastructure” in marketing materials (with proper attribution) - Use the name in compliance with fair use principles

Example (Permitted): > “Our trading system is built on Fox ML Infrastructure, a high-performance ML research platform.”

2.2 Internal Use

Commercial licensees may: - Use “Fox ML Infrastructure” in internal documentation - Reference the platform in internal presentations or reports - Use the name in compliance documentation or technical specifications

3. Prohibited Uses

3.1 Brand Misuse

You may NOT: - **Claim affiliation** – Use “Fox ML Infrastructure” to imply endorsement, partnership, or affiliation without written authorization - **Modify or repurpose logos** – Alter, modify, or create derivative works of Fox ML Infrastructure logos or branding - **Use for endorsement** – Use the Fox ML Infrastructure name to endorse trading performance, financial results, or investment strategies - **Domain squatting** – Register domains containing “Fox ML Infrastructure” or variations - **Trademark registration** – Attempt to register “Fox ML Infrastructure” or similar marks

3.2 Trading Performance Claims

You may NOT: - Use “Fox ML Infrastructure” to claim or imply specific trading performance - Use the name to endorse investment strategies or financial products - Use the name in a way that suggests Fox ML Infrastructure guarantees trading results

Example (Prohibited): > “Fox ML Infrastructure-powered trading system achieved 50% returns” (implies endorsement)

Example (Permitted): > “Our trading system uses Fox ML Infrastructure. Past performance does not guarantee future results.” (attribution without endorsement)

4. Client-Specific Branding

4.1 Custom Repositories

Client-specific repositories: - May use “Fox ML Infrastructure” in repository names (e.g., client-omega-fox-infra) - Must not imply official partnership or endorsement - Must comply with this trademark policy

4.2 Custom Features

Client-specific customizations: - May reference “Fox ML Infrastructure” in documentation - Must not claim that custom features are official Fox ML Infrastructure features - Must not use the name to imply endorsement of custom work

5. Open-Source Use

5.1 AGPL-3.0 License

Open-source users (AGPL-3.0): - May reference “Fox ML Infrastructure” in compliance with AGPL-3.0 attribution requirements - Must include copyright notices and license text - Must comply with this trademark policy

5.2 Contributions

Contributors: - May reference “Fox ML Infrastructure” in contributions or pull requests - Must not claim that contributions represent official Fox ML Infrastructure positions - Must comply with this trademark policy

6. Third-Party Use

6.1 Media & Publications

Media and publications: - May reference “Fox ML Infrastructure” in news articles, blog posts, or reviews - Must use the name accurately and in context - Must not imply endorsement or partnership without authorization

6.2 Research & Academic Use

Researchers and academics: - May reference “Fox ML Infrastructure” in research papers or academic publications - Must provide proper attribution - Must comply with this trademark policy

7. Enforcement

7.1 Violations

Violations of this policy may result in: - Request to cease use - Legal action if necessary - Termination of license (for commercial licensees)

7.2 Reporting Violations

To report trademark violations: - Email: jenn.lewis5789@gmail.com - Subject: Trademark Violation – Fox ML Infrastructure - Include: Description of violation, evidence, and contact information

8. Authorized Partnerships

8.1 Partnership Authorization

Official partnerships or endorsements require: - Written authorization from Fox ML Infrastructure LLC - Specific terms and conditions - Compliance with partnership guidelines

Contact: jenn.lewis5789@gmail.com for partnership inquiries

9. Fair Use

9.1 Fair Use Principles

Fair use of “Fox ML Infrastructure” is permitted when: - Used for descriptive or informational purposes - Not used to imply endorsement or affiliation - Used in compliance with trademark law - Proper attribution is provided

10. Updates to This Policy

This policy may be updated: - Policy updates will be communicated to commercial licensees - Updates will be posted in the repository - Continued use of trademarks implies acceptance of updated policy

11. Summary

Key Principles:

1. **Attribution is permitted** – You may reference “Fox ML Infrastructure” with proper attribution
2. **No false affiliation** – Do not claim endorsement, partnership, or affiliation without authorization
3. **No performance claims** – Do not use the name to endorse trading performance or financial results
4. **Respect brand integrity** – Do not modify logos or create derivative branding
5. **Compliance required** – All uses must comply with this policy and applicable trademark law

This policy protects the Fox ML Infrastructure brand while allowing reasonable use for attribution and reference.
