

Fox ML Infrastructure – Consulting Rate Structure

For organizations requiring advanced ML infrastructure, quant research, or systems engineering services.

Pricing Overview

Tier	Description	Rate (USD)
Tier 0	Advisory & systems explanation of Fox ML Infrastructure	\$300/hr
Tier 1	Engineering work within Fox ML Infrastructure (Fox-v1-infra)	\$350-\$500/hr
Tier 2	Proprietary development & internal systems	\$600-\$800/hr
Tier 3	High-urgency critical response	\$800-\$1200/hr

Notes

Tier 0: architectural review, onboarding, advisory.

Tier 1: improvements/extensions to internal deployments of Fox-v1-infra.

Tier 2: custom proprietary builds, internal R&D, HPC workflows.

Tier 3: urgent or high-pressure deadlines.
