# Fox ML Infrastructure — Consulting Rate Structure

For organizations requiring advanced ML infrastructure, quant research, or systems engineering services.

---

## Pricing Overview

| Tier | Description | Rate (USD) |
| --- | --- | --- |
| Tier 0 | Advisory & systems explanation of Fox ML Infrastructure | $300/hr |
| Tier 1 | Engineering work within Fox ML Infrastructure (Fox-v1-infra) | $350–$500/hr |
| Tier 2 | Proprietary development & internal systems | $600–$800/hr |
| Tier 3 | High-urgency critical response | $800–$1200/hr |

---

## Notes

Tier 0: architectural review, onboarding, advisory.

Tier 1: improvements/extensions to internal deployments of Fox-v1-infra.

Tier 2: custom proprietary builds, internal R&D, HPC workflows.

Tier 3: urgent or high-pressure deadlines.
