Consulting Policy – v2.0

This policy outlines professional terms for all consulting engagements.

---

1. Scope

Services include:

- ML infrastructure engineering
- Cross-sectional ML modeling & research
- HPC systems
- Integrations with the Fox ML Infrastructure (Fox-v1-infra) system

---

2. Client Neutrality

Any lawful organization may engage services.

---

3. Rates

$300/hr minimum; higher for advanced work.

Retainers available.

---

4. Work Model

Remote only; defined deliverables via SOW.

No open-ended scope creep.

Consultant retains autonomy over tooling and methods.

---

5. Communication Policy

Professional, asynchronous communication.

---

6. Ownership & IP

Consultant retains:

- Fox ML Infrastructure (Fox-v1-infra) core systems
- methodologies
- frameworks

Client receives internal-use license to deliverables.

---

7. Confidentiality

Strict confidentiality for all client data.

---

8. Termination

14-day notice or immediate for breach.
